

The Academy of Business and Leadership Education (ABLE)

October 15, 2007

Dear Parents,

We're off to a great start this year at ABLE and much credit can be given to our volunteers who worked so hard over the summer to prepare our new buildings to accommodate our tremendous growth. Many parents have already shared several hours with the school since the beginning of our year and the efforts are obvious. A big thank you to all of you who have spent hours on fieldtrips, bake sales, movie nights and career sharing. There are so many opportunities for parents to volunteer their time to support ABLE.

We are always open to your own ideas for school improvement so please let us know what you think!

There are chaperone opportunities every week as well as the opportunity for parents to come share their careers with the Business class.

Please email me with the events you are expecting to volunteer for and your preference for times, if noted.
